Are you a parent of
a child with special
or additional
needs?

Do you want to meet with other
parents and learn more about
local and national services and
what they can offer?

Do you want to feel more
confident about working with
practitioners and making
decisions about your child's
journey?

We warmly invite you to a series of workshops that have been written by and are led by trainers who are parent/carers of a child with additional needs themselves.

These workshops are for parent/carers of children and young people of any age, with any additional need, following diagnosis. They are an attempt to support parent/carers through times of change and at whatever stage of the journey participants may find themselves.
