

Connect and Play!

Join our free Connect and Play service in Birmingham

What?

New to our Early Intervention and Play Service? These sessions are a chance to find out more about our support, meet the team and other families, and experience a taste of our Connect and Play sessions.

We'll have a range of activities on offer that allow each child to explore and learn more about their world through their senses. Our Team will also be there to help with support, strategies, and information.

Who?

Our programme is for families of children with complex needs aged 0-8

Discover our Service

Wednesdays, 10:00-11:30am

Sense TouchBase Pears

Bristol Road
