Are you a parent of  
a child with special  
or additional  
needs?

Do you want to meet with other  
parents and learn more about  
local and national services and  
what they can offer?

Do you want to feel more  
confident about working with  
practitioners and making  
decisions about your child's  
journey?

We warmly invite you to a series of workshops that have been written by and are led by trainers who are parent/carers of a child with additional needs themselves.

These workshops are for parent/carers of children and young people of any age, with any additional need, with or without a diagnosis. They are an attempt to support parent/carers through times of change and at whatever stage of the journey participants may find themselves.
