

# Sensory Circuits Secondary Training

**Delivered by the Occupational Therapy SEND Team**

This training is designed for teaching assistants to learn the following:

- What is a sensory circuit?
- Who would benefit from using a sensory circuit?
- How can I create a sensory circuit for my school?

1 teaching assistant per school is allowed to attend. Places will be given on a first come first serve basis. Each school can attend this training once per year. All attendees will receive a **FREE** sensory circuit resource pack.
