

SEND Occupational Therapy Team

FREE Support to Mainstream Schools

OT Advice Meeting

30-minute virtual sessions that allow settings to discuss a generic need in the setting or to discuss one child.

C-SENSE

Sensory environment audit to make setting a more sensory friendly.

Coffee Mornings

Invite us to your coffee mornings to give advice and support to parents.

Sensory Circuit Training

Training around sensory systems, how to implement a sensory circuit in setting and considerations.

Fun with Food

Virtual training session with OT and SLT to discuss feeding and eating difficulties.

Once training is completed you can gain support on how to implement a fun with food group in your setting.

Fun Moves

Training on how to set up an early identification assessment tool in your school.

Spill the Tea with OT

OT led coffee morning that delivers training to parents/carers in your setting.

Virtual Training

1-hour virtual training on a range of topics around motor development and sensory preferences.

MAPs

We can attend to look up health records and answer any OT questions.

Whole School Training

Ask your allocated therapists about what training we can offer as a whole school approach.

Ready, Steady, Reception

Support to set up an intervention group around the skills expected at Reception age. This group works on a combination of OT and SLT skills.
