

# Preparing for Adulthood (PfA) Workshop

## Aston University Engineering Academy

### What is this showcase about?

A school-led Preparation for Adulthood (PfA) workshop bringing together students, families and professionals to explore post-16 options, share information, and support informed, confident planning for life beyond school.

### Expect to see...

- The event flyer and photographs showing the set-up
- Evidence of impact through parent and student feedback
- How the event supports PfA in practice
