

Emotional Learning Support Assistant Implementation

Kings Heath Secondary School

What is this showcase about?

Mel Pettinger, SEN Learning Lead, outlines how Emotional Literacy Support Assistant (ELSA) provision is implemented to support pupils with social, emotional, and mental health needs. It highlights a structured, inclusive approach to early identification and support within a graduated framework.

Expect to see...

- A detailed written account of how ELSA is implemented in practice, including identification, delivery, and review
- Examples of inclusive approaches and the impact on pupils' emotional wellbeing and access to learning
