

# SEND Occupational Therapy Newsletter

## Secondary Schools

### Sensory Circuits

Sensory Circuits are a series of motor activities that aim to support with sensory regulation. Learn about how to structure a sensory circuit.

*Feedback: "Class teachers have noticed more engagement and reduced anxiety. They have seen the difference when children come back regulated"*

**23<sup>rd</sup> April at 09:00-12:00**

**Moseley School and Sixth Form College**

### OT Skill Builders

Gain support on how to set up intervention groups and assess baselines based around life skills.

Groups include:

- Meal Preparation
- Independent Travel
- Media Leisure

If you are interested in this project, contact us via email.

### Coffee Mornings

We are able to attend MDT coffee mornings to discuss what Occupational Therapy is, what support we can offer to families and answer questions that parents/careers have.

**Enquire via email**
