Communication Devices

Penns Primary School

What is this showcase about?

Talking Tins and Big Button switches help pupils with speech, language and communication needs express themselves. Staff at Penns Primary School demonstrate how recorded words and messages help children make choices and join in classroom activities, supporting greater confidence and independence.

Expect to see...

- A video demonstration of Talking Tins and Big Button switches.
- Recorded messages to support choices and participation.
- Supporting information to help you use communication tools in your classroom.
